COURT ANNOUNCES ONLINE ACCESS TO TENTATIVE RULINGS

The Superior Court of California, County of Santa Clara has introduced a new internet webpage that allows online access to tentative rulings in cases set in the Civil discovery department. This feature will allow attorneys, litigants and other interested parties to view these tentative rulings without having to visit or telephone the Court.

Civil discovery matters are heard every Friday at 8:30 AM and 10:00 AM in Department 7 in the Downtown Superior Courthouse at 191 N. First Street in San Jose. The tentative rulings for those matters may be viewed after 2:00 PM on the day before the hearings by visiting the Court's website at:

www.sccsuperiorcourt.org/civil/Dept7rulings.htm

This new feature is based upon an earlier project, the telephonic posting of Civil discovery tentative rulings, which was introduced in February of 2005 and which is still available as an alternative to the Web-based approach.

For additional information, please contact Carl Schulhof, Public Information Officer, at 408-882-2856 or cschulhof@scscourt.org.
